

DOWNTOWN MASTER PLAN

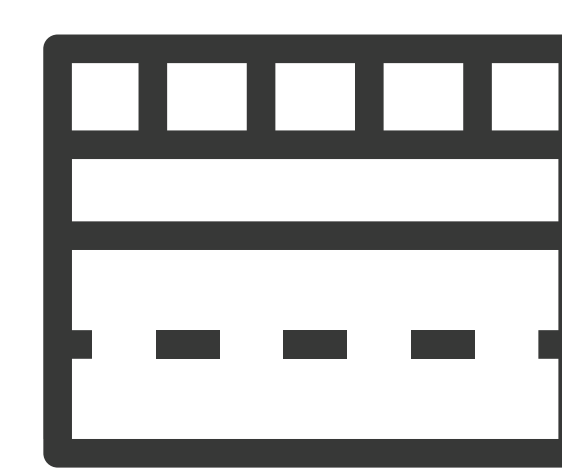

LEARN ABOUT THE PLAN

WHAT IS THE DOWNTOWN MASTER PLAN?

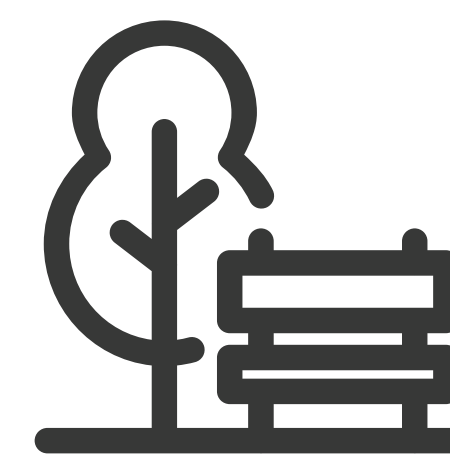

The City of Canton and the Downtown Development Authority are developing a Downtown Master Plan to identify how Canton can improve its downtown. The Plan builds upon the city-wide Transportation Master Plan that was adopted in January 2023, and concentrates on the city's downtown with a focus on multimodal safety and connectivity, thorough community engagement, and an understanding of the downtown development potential.

WHAT ARE THE KEY OUTCOMES OF THE PLAN?

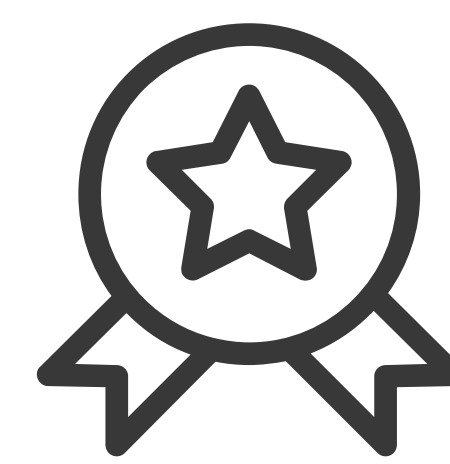

Key outcomes include:

A detailed package of **transportation improvement projects**

A **master plan** to provide guidance on continuing to create **economic development opportunities**

Tools to help the city continue getting closer to **national recognition** for their downtown and main street

WHAT IS THE PROCESS OF THE DOWNTOWN MASTER PLAN?

The planning process will include four distinct but overlapping components.
