MEMORANDUM

TO:

Mayor & City Council

FROM:

Mr. Billy Peppers, City Manager

CC:

Mr. Nathan Ingram, Assistant City Manager

Ms. Annie Fortner, City Clerk

Ms. Melissa Forrester, Finance Director

DATE:

June 17, 2021

RE:

Fiscal Year 2022 Proposed Budget & Millage Rate

The City of Canton is prepared to move forward with the adoption of the property taxing millage rate and begin the process of adopting the Fiscal Year 2022 Operating Budget (October 1, 2021 through September 30, 2022). In accordance with the City's Charter, I am attaching a copy of the Proposed Operating Budget as well as this analysis memorandum related to the budget and the millage rate. Also included in this memorandum is background information related to the processes adopting both the millage rate, the operating budget and the overall operations of the City of Canton. Please feel free to share this information with others as you see fit and feel free to ask any questions about processes, programming, and budgetary items. Our budget team, including Assistant City Manager Nathan Ingram and Finance Director Melissa Forrester, is happy to assist you with these concerns.

REQUIREMENTS

The City of Canton operates utilizing a variety of fund sources, including ad valorem taxes on real and personal property, sales taxes on consumable goods, enterprise fund revenues (from utilities such as Water, Wastewater, Stormwater and Sanitation), user fees (such as Hotel/Motel Taxes and Rental Car Taxes), fines through municipal court operations, and development related revenues through the imposition of Impact Fees. The City's Charter provides for the procedures related to the approval of the operating budget and for the adoption of a millage rate necessary to impose ad valorem taxation on real and personal property.

Below are the corresponding sections of the Charter related to property tax and the creation of the millage rate:

Sec. 6.10. - Property tax.

The city council may assess, levy and collect an ad valorem tax on all real and personal property within the corporate limits of the city that is subject to such taxation by the state and county. This tax is for the purpose of raising revenues to defray the costs of operating the city government, of providing governmental services, for the repayment of principal and interest on general obligations, and for any other public purpose as determined by the city council in its discretion.

Sec. 6.11. - Millage rate; due dates; payment methods.

The city council, by ordinance, shall establish a millage rate for the city property tax, a due date, and the time period within which these taxes must be paid. The city council, by ordinance, may provide for the payment of these taxes by installments or in one lump sum, as well as authorize voluntary payment of taxes prior to the time when due.

In 2017, the City of Canton entered into an agreement with Cherokee County to collect City property taxes on behalf of the City. In accordance with this agreement, the City is required under the intergovernmental agreement to provide a millage rate to Cherokee County annually by August 1.

Below are the corresponding sections of the Charter related to the creation of the budget:

Sec. 2.30. - Powers and duties of the city manager.

The city manager shall be the chief administrative officer of the city. He shall be responsible to the city council for the administration of all city affairs placed in his charge by or under this Charter. As the chief administrative officer, the manager shall:

(5) Prepare and submit the annual operating budget and capital budget, including any and all requested substantiating detail supporting planned line item revenues and expenditures, to the city council. The annual operating and capital budgets for the next fiscal year are to be submitted 75 days in advance of the start of the next fiscal year.

Sec. 6.25. - Submission of operating budget.

On or before a date fixed by the city council, but not later than 30 days prior to the beginning of each fiscal year, the city manager or his designee shall submit to the city council a proposed operating budget for the ensuing fiscal year. The budget shall be accompanied by a message from the city manager or his designee containing a statement of the general fiscal policies of the city, the important features of the budget, explanations of major changes recommended for the next fiscal year, a general summary of the budget, and such other comments and information as he may deem pertinent. The operating budget and the capital improvements budget hereinafter provided for, the budget message, and all supporting documents shall be filed in the office of the city clerk and shall be open to public inspection.

Sec. 6.26. - Action on budget.

- (a) The city council may amend the operating budget proposed by the city manager or his designee; except, that the budget as finally amended and adopted must provide for all expenditures required by state law or by other provisions of this Charter and for all debt service requirements for the ensuing fiscal year, and the total appropriations from any fund shall not exceed the estimated fund balance, reserves, and revenues.
- (b) The city council, by ordinance, shall adopt the final operating budget for the ensuing fiscal year not later than 30 days prior to the end of the fiscal year or until such time as prescribed by city council. If the city council fails to adopt the budget by this date, the amounts appropriated for operation for the current fiscal year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis, with items prorated accordingly until such time as the city council adopts a budget for the ensuing fiscal year. Adoption of the budget shall take the

form of an appropriations ordinance setting out the estimated revenues in detail by sources and making appropriations according to fund and by organizational unit, purpose, or activity as set out in the budget preparation ordinance adopted pursuant to <u>section 6.24</u>.

(c) The amount set out in the adopted operating budget for each organizational unit shall constitute the annual appropriation for such, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriations or allotment thereof, to which it is chargeable.

Sec. 6.27. - Tax levies.

The city council shall levy, by ordinance, such taxes as are necessary. The taxes and tax rates set by such ordinance shall be such that reasonable estimates of revenues from such levy shall at least by sufficient, together with other anticipated revenues, fund balances and applicable reserves, to equal the total amount appropriated for each of the several funds set forth in the annual operating budget for defraying the expenses of the general government of this city.

MILLAGE RATE CALCULATION & ADOPTION

The millage rate is a number by which each \$1,000 of real and personal property is taxed to provide funding for the operations of the City. The Cherokee County Tax Assessor is responsible for calculating the fair market value of the real and personal property in Cherokee County, including said property within the City of Canton. The fair market value is then discounted to a taxable value which is forty percent (40%). This taxable value is then multiplied by the millage rate to determine the taxes due for said property. Below is this equation and an example of this process:

Fair Market Value (FMV) x 40% = Taxable Value (TV) Taxable Value (TV) x Millage Rate = Taxes Due

James Smith's Home is given a fair market value (FMV) by the Assessor of \$200,000. The City of Canton's current millage rate is 5.4 mills.

\$200,000 (FMV) x 40% = \$80,000 (TV) \$80,000 (TV) x .0054 (Millage Rate) = \$432 (Taxes Due)

James Smith has a tax liability to the City of \$432 for his property valued at \$200,000.

Each year, the Assessor provides a draft digest of all property values to the City of Canton around May. The draft digest results in estimated property taxes due to the City prior to appeals utilizing the current millage rate. If the tax digest is higher than prior years, the Assessor will show what the millage rate could be reduced to allowing the total dollars collected in taxes to remain revenue neutral. This is referred to as a *revenue neutral rollback* millage rate. Any rate below the calculated revenue neutral rollback millage rate would be a true tax reduction. Likewise, if the digest value goes down, the Assessor would provide a calculation of a higher millage rate necessary to capture the same amount of taxes. This is also considered a revenue neutral millage rate. According to state law, if the City of Canton utilizes any tax rate that is different than a revenue neutral millage rate (unless such rate is lower than the prior year), the City must hold three public hearings to adopt such rate. If two meetings are held on the same day, one of these hearings must be held before noon and the other one must be held after 6 p.m. that day. The schedule

for these meetings must be advertised by legal notice in the paper at least 7 days prior to the first hearing. The schedule for the public hearings for the 2021 Millage Rate is as follows:

> Thursday, July 1, 2021 at 11 a.m. in the City Hall Auditorium Thursday, July 1, 2021 at 6 p.m. in the City Hall Auditorium Thursday, July 15, 2021 at 6 p.m. in the City Hall Auditorium

Following the third public hearing the City can adopt the millage rate. Should the City opt to proceed with the revenue neutral rollback millage rate or any rate less than that rate, there is only required to be one public hearing prior to the adoption of the rate. All public meetings will be live-streamed and available via the City website at: https://canton.legistar.com/Calendar.aspx. Additionally, if the public wishes to comment on the budget with questions or concerns, they may do so by emailing TellUs@cantonga.gov.

CANTON'S MILLAGE RATE HISTORY & QUICK FACTS

The current millage rate for the City of Canton is 5.4 mills. Below is the historical millage rates of the City of Canton since 1997:

| Year | Millage Rate | Year | Millage Rate | Year | Millage Rate |
|------|--------------|------|--------------|-----------|--------------|
| 1997 | 8.500 | 2004 | 7.115 | 2011 | 6.800 |
| 1998 | 8.250 | 2005 | 6.778 | 2012 | 6.800 |
| 1999 | 8.250 | 2006 | 6.256 | 2013 | 6.800 |
| 2000 | 8.250 | 2007 | 5.966 | 2014 | 6.196 |
| 2001 | 8.000 | 2008 | 5.950 | 2015 | 5.850 |
| 2002 | 7.500 | 2009 | 6.800 | 2016 | 5.600 |
| 2003 | 7.385 | 2010 | 6.800 | 2017-2021 | 5.400 |

The current millage rate of 5.4 mills is the lowest millage rate in the last 28 years for the City of Canton. Additionally, this millage rate accounts for all City services: police, fire, recreation, streets, municipal courts, community development, code compliance, building and safety services, and administration. In 2017, the City of Canton began a contract with Cherokee County for the provision of fire and emergency services. Canton joined the cities of Ball Ground, Holly Springs, and Waleska in receiving said services on behalf of the incorporated residents. Cherokee County assesses a fire district tax of 3.292 mills to pay for said services. In the cities of Ball Ground and Waleska, the residents are assessed an additional fire district millage rate on their County property tax bills for said services. The cities of Canton and Holly Springs pay a flat fee to the County based upon the application of the fire district millage rate across the digests for those cities. Including the provision of fire services, the area millage rates (2020) are as follows from highest to lowest:

| Ball Ground | 8.292 Mills (3 mills for operations plus 3.292 mills for fire) |
|----------------------|--|
| Holly Springs | 7.692 Mills (4.4 mills for operations plus 3.292 mills for fire) |
| Waleska | 6.635 Mills (3.343 mills for operations plus 3.292 mills for fire) |
| Woodstock | 6.307 Mills (includes operations and City provided fire) |
| C | F 400 Mills (in Indian and fine) |

5.400 Mills (includes operations and fire) Canton

In addition to operating under the lowest effective millage rate in Cherokee County, Canton residents also benefit from the lowest sales tax rate in Georgia (6%) and Canton seniors (age 62 and up) receive a full exemption of property taxes on the fair market value of a home up to \$280,000.

Annual Operating Budget

In the current fiscal year, the operating budget was just over \$67 million. The proposed Fiscal Year 2022 Operating Budget is \$88 million or an overall increase of \$21 million. Of this increase, \$3.1 million is attributable to an increase in the general fund of the City. The remaining \$18 million comes from a mixture of increased and decreased revenues in sales taxes, impact fees, user fees, proceeds from American Rescue Plan Act, bonds for the water pollution control plant expansion, and the use of fund balance in the enterprise funds (Water, Wastewater, Storm Water and Sanitation). The budget reflects \$7.5 million in increased funds in the Water and Sewerage Fund related to bond proceeds for the wastewater treatment plant expansion.

Personnel

The City operates with 122 full time employees (currently 118 of these positions are filled). Of these, 11 are paid for fully through enterprise funds. The average hourly rate of pay for full-time employees is \$20.07 per hour. The average annual pay for sworn police positions (work 2,236 hours annually) is \$51,876 and civilian hourly employees (work 2,080 hours annually) earn an average of \$49,500. For the upcoming budget, consideration was given for an adequate way to compensate staff as the cost of living is additionally rising. According to the Bureau of Labor Statistics, the compensation costs for state and local government employees nation-wide had increased by 2.0 percent for the prior 12-month period ending March 31, 2021. Compensation costs for Civilian Workers (2.6 percent) and Private Industry Workers (2.8 percent) were also up. With the global pandemic of the coronavirus that began in America in 2020, many local governments are now implementing cost of living allowances due to more stability in funding amid increases in labor costs and inflation.

The proposed budget includes a 5 percent cost of living allowance for City employees to reconcile the previous two years of employment cost index increases (2.8 percent in 2020 and 2.0 percent in 2021). The budget does account for the creation of 10 new positions in beginning in October. These include a new Housing & Residential Services Manager, Economic Development and Tourism Manager, two new parks technicians, two new streets technicians, a new Team Clean Canton technician, a part time receptionist in Police, a new development inspector, and a new engineer in utilities.

Increased Expenses

The proposed general fund budget launches a variety of specific programs for the City of Canton related to American Rescue Plan Act funds earmarked for local government recovery. A new Housing Trust Fund to be managed by a new Housing & Residential Services Manager will work to assist with programs of housing security for low to moderate income residents, improving public housing, remediating blighted residential properties, first-time homebuyer assistance programs, and overall concierge services for residential needs. The City will start an Office of Economic Development & Tourism to work with small businesses, the impacted tourism industry and build a new cultural arts program. In a move to be more efficient with vehicles in the fleet, Canton will begin partnering with Enterprise Fleet Services for leased vehicles, which will reduce long term maintenance costs, improve access to alternative fuel vehicles and keep employees in the newest available public fleet. The budget reflects the addition of staff in public works to keep up with more miles of public maintenance roadways, assist with sanitation, and maintain our growing parks and trails system. Funding is also in the budget to review a citywide transportation plan, expand community events, replace Police tasers, upgrade technology for the Building & Safety Services Department, and hire an additional inspector for community development related to the demands of construction projects.

This proposed budget includes up to 5 percent increase on employee benefits that represent only the employer share. There is no increase for workers compensation insurance, 5 percent in all other insurance, 2 percent in natural gas, and 2 percent in electricity. These increases represent \$94,926 of the expenditure increases alone.

The proposed City of Canton reflects major expenditures for projects associated with special funding sources, including the construction of the Archer Street parking deck, continued expansion of the water pollution control plant, Old Ball Ground sewer expansion, completion of the Etowah River Trail connection from Heritage Park to Boling Park, upgrades to playground equipment and surfaces, restrooms at Heritage Park, heating and air system improvements to public facilities, expansion and improvements for Harmon Park, and renovations to Municipal Court. In the water system, the budget allows for a transition through a provider to be determined in the coming months for automated meter reading.

Use of Fund Balance

Since 2013, the City of Canton has utilized reserves to keep property taxes low. In 2016, the fund balance was budgeted for use but due to vacancies and projects that did not get started, none was used. In 2017, the City utilized \$1.7 million in reserves for general operations, allowing the City to reduce the millage rate from 5.6 mills to 5.4 mills. As employment with the City has steadied and departments are being efficient in the expenditure of budgeted funds, the fund balance that has been utilized to supplement revenues in the budget has been decreasing. As of the most recent audited fiscal year ended (September 30, 2020), the fund balance of the City was \$8,415,653. The current budget was built upon using \$1,547,018 in fund balance and staff estimates that less than \$500,000 of that will be needed. This in mind, the fund balance projected to start next fiscal year remains \$8 million. To keep the current millage rate at 5.4, the City will need to utilize \$2 million in fund balance to meet budget. This would reduce the overall fund balance to just less than \$6 million at the end of the upcoming fiscal year. The City utilizes approximately \$1.5 million monthly for operations, meaning that at the end of the upcoming fiscal year, the City would have four-months operating in reserves.

New housing starts are driving growth within the City, but these also come at a cost. While the senior tax exemption provides a benefit to attracting new citizens, last year there was a growth in exempted properties to more than 2,1000 properties that are paying reduced taxes, if paying taxes at all, for the services residents' demand, including public safety. This is a particular hit to the City's budget as the cost of fire services with the County is based on the total digest. As this exempted property category continues to grow, the non-exempted properties will continue to offset these expenses, and this cannot be accomplished through the continued use of fund balance or property tax rollbacks and cuts.

If the City did not have fund balance, the budget would require a millage rate of **6.9 mills**. Each mill is generating approximately \$1.3 million; therefore, it would take an additional 1.5 mills to offset the use of fund balance.

\$

953,180

The following amounts are hereby appropriated in the Municipal Court Fund for the Fiscal Year 2022:

PUBLIC SAFETY \$ 953,180 BE IT FURTHER ORDAINED by the Mayor and Council of the City of Canton that the City's ad valorem tax will be set at 5.400.

If any portion of this Ordinance be declared invalid or unconstitutional by any court or competent jurisdiction or if the provisions of any part of this Ordinance as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the portions of this Ordinance not so held to be invalid. It is hereby declared to be the intent of the City Council to provide for separable and divisible parts and does hereby adopt any and all parts hereof as may not be held invalid for any reason.

This Ordinance shall become effective on the date the Mayor signs the ordinance indicating approval, ten days after the adoption of the ordinance if the Mayor has not signed nor vetoed, or immediately upon an affirmative vote of the City Council after the Mayor's veto, whichever shall first occur.

Fiscal Year 2022 Operating Budget

General Fund

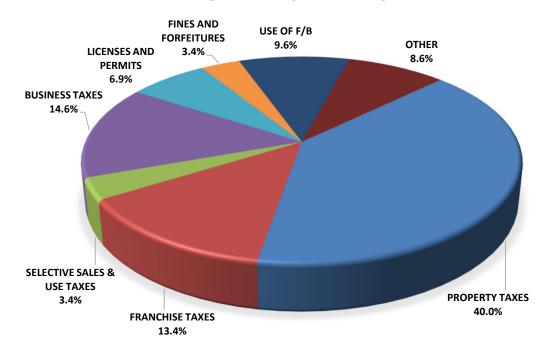

The General Fund's primary source of revenue are various taxes. The largest tax revenue consists of real and personal property taxes, but taxes also include items such as franchise taxes, insurance premium taxes, excise taxes and business occupation taxes. General Fund expenditures are categorized by function. Administrative activities include the budgets for Mayor and Council, City Clerk, City Manager, Finance, Tax, Technology, GIS, Human Resources, Public Information and General Government Buildings. The service functions include Public Safety, Public Works, Parks & Recreation, Community Development, Economic Development, and Municipal Court.

The Fiscal Year 2022 Budget for the General Fund has been prepared using a millage rate of 5.400.

CITY OF CANTON ARPA FUND (230) SUMMARY

On March 11, 2021, President Biden signed into law the American Rescue Plan Act (ARPA). ARPA creates a funding source for municipal governments using future federal tax revenues. The City of Canton is expected to receive funding in the amount of \$11,400,265 as part of two payments beginning June 2021 with the second payment a year later. The US Treasury released guidance regarding use of these funds in May 2021 in the form of an Interim Final Rule (IFR). This 151-page document summarizing the background of ARPA, an explanation of need for funding, and background on funding opportunities. The funds to local governments in Georgia under 50,000 in population will be administered through the Governor's Office of Planning & Budgets.

The funding categories for expenditure of these funds locally include responding directly to COVID-19 as well as responding to the broader negative economic impacts of the pandemic. Payments from ARPA are required to be used only to cover eligible costs incurred by the local government prior to December 31, 2024. ARPA does specifically allow a longer timeframe for certain other infrastructure projects.

CITY OF CANTON SPLOST VII FUND (322) SUMMARY

The SPLOST VII Fund is a capital projects fund that accounts for the receipt and disbursement of special purpose local option sales tax (SPLOST). The referendum was voted on and passed in November 2017. SPLOST VII began with July 2018 sales within the County, subsequent the collections from the prior SPLOST (#VI). Over the course of the six year tax, SPLOST VI is expected to raise approximately \$24,613,045 for use on capital projects for the City. The City has projected uses as follows:

| | | Six Year | E | kpended as | |
|---|----|--------------|----|-------------|------------------|
| | Р | roject Total | Se | ep 30, 2020 | Remaining |
| Transportation Facilities and Improvements | \$ | 7,113,045 | \$ | 1,502,040 | \$ 5,611,005 |
