MEMORANDUM

TO: Mayor Bill Grant
Canton City Council

CC: Annie Fortner, City Clerk

FROM: Billy Peppers, City Manager 
Nathan Ingram, Assistant City Manager
Melissa Forrester, Finance Director

RE: Fiscal Year 2023 Budget Proposal

DATE: July 14, 2022

The City of Canton will hold a public hearing for the Fiscal Year 2023 Budget on July 21, 2022, at 6 p.m. The Budget is adopted by ordinance and that document was provided in advance to the Council and the public through the City's website and as part of the agenda packet for the July 21, 2022, public hearing, and City Council meeting. This memorandum is to supply a summary of the budget as required by the Charter.

Budget Responsibilities

Below are the corresponding sections of the Charter related to the creation of the budget:

Sec. 2.29. - Powers and duties of the city manager.

The city manager shall be the chief administrative officer of the city. He shall be responsible to the city council for the administration of all city affairs placed in his charge by or under this Charter. As the chief administrative officer, the manager shall:

(5) Prepare and submit the annual operating budget and capital budget, including any and all requested substantiating detail supporting planned line-item revenues and expenditures, to the city council. The annual operating and capital budgets for the next fiscal year are to be submitted 75 days in advance of the start of the next fiscal year.

Sec. 6.25. - Submission of operating budget.

On or before a date fixed by the city council, but not later than 30 days prior to the beginning of each fiscal year, the city manager or his designee shall submit to the city council a proposed operating budget for the ensuing fiscal year. The budget shall be accompanied by a message from the city manager or his designee containing a

statement of the general fiscal policies of the city, the important features of the budget, explanations of major changes recommended for the next fiscal year, a general summary of the budget, and such other comments and information as he may deem pertinent. The operating budget and the capital improvements budget hereinafter provided for, the budget message, and all supporting documents shall be filed in the office of the city clerk and shall be open to public inspection.

Sec. 6.26. - Action on budget.

(a) The city council may amend the operating budget proposed by the city manager or his designee; except, that the budget as finally amended and adopted must provide for all expenditures required by state law or by other provisions of this Charter and for all debt service requirements for the ensuing fiscal year, and the total appropriations from any fund shall not exceed the estimated fund balance, reserves, and revenues.

(b) The city council, by ordinance, shall adopt the final operating budget for the ensuing fiscal year not later than 30 days prior to the end of the fiscal year or until such time as prescribed by city council. If the city council fails to adopt the budget by this date, the amounts appropriated for operation for the current fiscal year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis, with items prorated accordingly until such time as the city council adopts a budget for the ensuing fiscal year. Adoption of the budget shall take the form of an appropriations ordinance setting out the estimated revenues in detail by sources and making appropriations according to fund and by organizational unit, purpose, or activity as set out in the budget preparation ordinance adopted pursuant to [section 6.24](#).

(c) The amount set out in the adopted operating budget for each organizational unit shall constitute the annual appropriation for such, and no expenditure shall be made, or encumbrance created in excess of the otherwise unencumbered balance of the appropriations or allotment thereof, to which it is chargeable.

Sec. 6.27. - Tax levies.

The city council shall levy, by ordinance, such taxes as are necessary. The taxes and tax rates set by such ordinance shall be such that reasonable estimates of revenues from such levy shall at least be sufficient, together with other anticipated revenues, fund balances and applicable reserves, to equal the total amount appropriated for each of the several funds set forth in the annual operating budget for defraying the expenses of the general government of this city.

Annual Operating Budget

The City of Canton has an annual operating budget of nearly \$80 million, a decrease of more than \$8.4 million from the current fiscal year budget of \$88.3 million. Most of the decrease comes from a transfer of American Rescue Plan Act Funds being transferred last budget year into the general fund using federal

rules for revenue loss calculations as well as reductions in the SPLOST VII Fund and the Sanitation Fund (due to a new vendor contract). The general fund is proposed to increase by \$1,639,407. The City is additionally setting aside the first year of proceeds from a downtown Tax Allocation District for \$336,000.

Personnel

The City operates with 134 full time employees (currently 120 of these positions are filled). Of these, 11 are paid for fully through enterprise funds. The average hourly rate of pay for non-exempt full-time employees is \$19.66 per hour. The average annual pay for non-exempt sworn police positions (work 2,236 hours annually) is \$51,682 and civilian hourly employees (work 2,080 hours annually) earn an average of \$40,899. This class of non-exempt employees include police officers through the rank of lieutenant, public works technicians, court clerks, inspectors, support managers, finance clerks, administrative assistants, utility billing customer service representatives, technology support, community development customer service representatives, records clerks, investigators, public outreach staff, and maintenance. For the upcoming budget, consideration was given for an adequate way to compensate staff as the cost of living is rising. According to the Bureau of Labor Statistics, the compensation costs for state and local government employees nation-wide had increased by 3.2 percent for the prior 12-month period ending March 31, 2022. Compensation costs for Civilian Workers (4.5 percent) and Private Industry Workers (4.8 percent) were also up. Given the current economy and difficulty in finding available human resources in the employment market, many local governments have either implemented or are considering COLAs as well as across the board pay increases.

The proposed budget is built on two specific goals as it relates to meeting our **Roadmap for Success** tenet of **Leading with Excellence**. First, we have identified the need to secure our existing staff. Team Canton is a professional group of public servants and in the current market it is essential that we maintain our competitive position in the marketplace and retain those team members presently employed with the City. To do this, we need to increase salaries across the board beyond a COLA. In the Police Department, we recommend the implementation of a new Step Pay Program (attached to this memorandum). This program recognizes longevity for sworn employees through a step pay increase annually upon an anniversary date with the City. The size of the step is increased as the employee moves up through ranks (grades), promoting career advancement through pay incentives. This program rewards seasoned employees and provides a commitment of annual increases for a professional staff beyond that of a typical COLA.

Civilian employees must be compensated at a living wage. We have found the goals of some other jurisdictions in our region to have a starting wage rate of \$15 per hour or \$17 per hour. We propose moving all starting rates for employees to \$20 per hour as a mark of leadership within the public service sector. Every member of Team Canton is a professional in their area of service and will be compensated accordingly. To ensure that compression within the pay scales of civilian employees is not affected by this across the board starting wage increase, we propose a \$5,000 base level increase for all non-contract employees as well as a 5% COLA. There will remain a small handful of employees that fall below the \$20 hourly rate by a few pennies that will be increased at the start of the Fiscal Year. Aside from these two changes, the City will continue to evaluate COLAs annually using the Employment Cost Index from March

and recommend changes to the starting salary levels for all positions using ECI the following October as part of the budget development process.

The second goal of remaining competitive in the labor market is to compete on the recruitment side of the human resources equation. Using the Step Pay Plan and \$20 per hour starting wage, I believe we will be able to recruit professionals to join Team Canton. On the sworn employee side, the City will provide half-credit for years of service with other law enforcement agencies. A new officer with 4 years of prior service in law enforcement that is POST certified would be eligible to start in the second year of the scale as opposed to the entry level. We believe that this incentivizes POST certified candidates that can be more quickly placed on the roads of Canton for public safety. Additionally, we believe the Step Pay Plan supplies a clear map for new recruits as it relates to career growth and personal financial growth within the City of Canton. For our civilian employees, the opportunity to join our team at a starting salary of \$41,600 places us above the market for public service in the region.

These pay programs coupled with the City's improved health benefits structure with Aetna, dedicated contributions to our defined benefit and defined contribution plans for employees, and up to 5 percent match for defined contributions to retirement plans make an attractive portfolio of compensation in the public service field. The budget reflects keeping the holiday add-pay program intact at last year's level. The total cost of compensation for City personnel is \$8.5 million, up from \$7.3 million in the current fiscal year.

Increased Expenses

The current general fund budget does not reflect the addition of any new full-time positions. It does reflect the consolidation of some of the administrative function within City Hall, including the manner in which certain group items such as retirement and insurance are budgeted. The proposed FY23 budget is an increase of \$1,639,407 in the general fund expenditures. Of this increase, some of the specific budget highlights for new expenses include projects being funded via ARPA funds transferred in the prior year; including a new HVAC unit for City Hall, funds for a residential development at Laurel Canyon, and Public Safety equipment. The Police Department is still the largest user of City revenues for operations, with 60 full-time employees and 1 part-time employee, or 49 percent of all City personnel. As of the proposed draft FY23 budget, there are 14 existing vacancies.

This proposed budget includes up to 20 percent increase on employee benefits that represent only the employer share. There is an increase of 14 percent in gasoline and oil, 39 percent increase in natural gas and 12 percent increase in electricity. These increases are a majority of the expenditure increases.

The City will start, continue, or complete the following capital projects during the upcoming fiscal year: Etowah River Trail System Westward Connector (Heritage Park to Boling Park), Water Pollution Control Plant Expansion, flocculator replacement and intake screen projects at the Bobby Bishop Water Treatment Plant, alum pond cleaning, automated meter infrastructural enhancement program, a booster pump station at Canton-Cherokee Industrial Park, a new elevated water storage tank in South Canton, Ridge Pine Drive water line replacement, State Route 140 and Avery Road water line replacement, Harmon Park improvements and expansion, design of the Etowah River Pedestrian Bridge from the new

Westward Trail Connector, continued design of expansions for road capacity on State Route 140 in North Canton, road paving projects across the City, Laurel Canyon innovative housing project, sidearm enhancements for the Canton Police Department, heating and air redesign at City Hall, and continuing the vehicle lease program, to name a few.

Use of Fund Balance

Since 2013, the City of Canton has used reserves to keep property taxes low. In 2016, the fund balance was budgeted for use but due to vacancies and projects that did not get started, none was used. In 2017, the City used \$1.7 million in reserves for general operations, allowing the City to reduce the millage rate from 5.6 mills to 5.4 mills. As employment with the City has steadied and departments are being efficient in the expenditure of budgeted funds, the fund balance that has been used to supplement revenues in the budget has been decreasing. As of the most recent audited fiscal year ended (September 30, 2021), the fund balance of the City was \$9.2 million. The current budget was built upon using almost \$2 million in fund balance. This in mind, the fund balance projected to start next fiscal year exceeds \$7.2 million. To keep the current millage rate at 5.4, the City will need to use \$1.6 million in fund balance to meet budget. This would reduce the overall fund balance to just less than \$5.7 million at the end of the upcoming fiscal year. The City uses approximately \$1.8 million monthly for operations, meaning that at the end of the upcoming fiscal year, the City would have three-months operating expenses in reserves.

New housing starts are driving growth within the City, but these also come at a cost. While the senior tax exemption supplies a benefit to attracting new citizens, last year there was a growth in exempted properties from 2,792 exemptions to more than 2,990 exemptions or 7% more properties that are paying reduced taxes, if paying taxes at all, for the services residents' demand, including public safety. This is a particular hit to the City's budget as the cost of fire services with the County is based on the total digest. As this exempted property category grows, the non-exempted properties will continue to offset these expenses, and this cannot be conducted through the expanded use of fund balance or property tax rollbacks and cuts.

If the City did not have fund balance, the budget would require a millage rate of **6.4 mills**.

Roadmap for Success

FY2023 Project & Program Priorities

Creating Great Neighborhoods

Safe, attractive, connected, and inviting neighborhoods are the foundation of Canton's hometown appeal. All residents deserve quality housing that reflects our community character through thoughtful design and responsible development practices.

Creating Great Neighborhoods

Budget Highlights:

- New Urban Development & Housing department
- Full-time Housing Initiatives Director
- Housing Needs Assessment update
- Georgia Initiative for Community Housing funding (if accepted)
- \$2.8 M loan guarantee for Canton Housing Authority's Shipp Street redevelopment & purchase option for Jefferson Circle
- Laurel Canyon Innovative Neighborhood Project initial site work and construction funding
- Design guidelines update

Celebrating the Diversity in Our Community

The diverse cultures and communities within Canton are vibrant and engaging. The City encourages economic, cultural, and social diversity.

Celebrating Diversity

Budget Highlights:

- Funding to continue translation services for improving communication and outreach
- Centralized bilingual stipend for City staff, including the addition of advanced certification
- Sunnyside mural
- Assistance programs for minority-owned businesses
- Increased Diversity, Equity & Inclusion Training for staff, boards, and community
- Increased special event offerings

Advancing Regional Economic Success

Utilizing existing business strengths in industry, healthcare, and an entrepreneurial spirit, Canton seeks to expand its economic footprint. Diverse and innovative business growth will support jobs, attract investment, and create tourism opportunities.

Advancing Economic Success

Budget Highlights:

- Creation of a new Canton Tourism website
- Increased funds for Canton Tourism
- Funding for Arts Masterplan
- Continued funding for Connecting Canton program with Chamber
- Business assistance workshops
- Financial partnership with Cherokee Office of Economic Development
- Planning for Lake Canton & surrounding property
- Increased and improved special event offerings
- Organizational streamlining of Economic Development Functions
- Business incubation and acceleration program

Enhancing Historic Downtown Canton

Preservation, entrepreneurship, arts and culture, and community-centric activities are the cornerstones of economic development within Downtown Canton. Benefiting the entire City, downtown redevelopment creates jobs, attracts investment, increases property values and generates tourism.

Enhancing Downtown Canton

Budget Highlights:

- Initiation of Tax Allocation District projects
- New downtown housing assisted with TAD
- DDA use of Jones Building proceeds for additional downtown projects
- North Street planning and improvements
- West Main Street Corridor planning and improvements
- Railroad pedestrian crossing planning (grant-pending)
- Increased small business outreach
- Continued special event offerings
- Dedicated downtown landscape and maintenance crew
- Improved downtown sanitation offerings

Sustaining our Natural Environment

Canton residents appreciate our natural beauty, proximity to the mountains, ample greenspaces, and the Etowah River. Projects in the City will promote interaction with nature through sustainability, stewardship of resources, and innovative design.

Sustaining Our Environment

Budget Highlights:

- First year with solar array on parking deck to offset City Hall power consumption costs
- First year of electric vehicle charging stations at parking deck
- Lease of the City's first electric vehicle (not including motorcycles)
- HVAC project with Schneider at City facilities
- Roof repairs at municipal buildings for energy efficiency
- Plant palette updated
- Sanitation improvements through Waste Pro
- Stormwater improvements
- Application for recognition: ARC Green Communities, Bee City

Connecting Citizen to Parks and Recreation

A healthy community provides access to nature. Residents should be connected with local parks through trails, sidewalks, and additional transportation options. Recreational opportunities should be available and inclusive to all.

Connecting to Parks & Recreation

Budget Highlights:

- Dog Park planning (2024 SPLOST)
- Completion of Etowah River Trail Westward Connector
- Design and construction of new westside pedestrian bridge (if awarded by Appalachian Regional Commission)
- Harmon Park improvements
- Heritage Park restrooms and playground completed
- Jefferson Circle Park planning and potential Burge Park improvements (2024 SPLOST)
- South Canton Park planning (2024 SPLOST)
- Juniper Street Park planning (2024 SPLOST)
- Increased Library supplement
- Community & Cultural Arts Center planning (2024 SPLOST)

A large, light green outline of a globe with a grid of latitude and longitude lines. Three small circles are placed at the intersections of the grid lines, one in the upper left, one in the middle left, and one in the lower right.

Improving Infrastructure for Future Demands

Citizens, businesses, and visitors need access to the Canton infrastructural network to succeed in their goals. Transportation, power supply, gas availability, water and sewer, and digital connectivity are part of building a great network for success.

Improving Infrastructure

Budget Highlights:

- Continued design of SR 140 Improvements in North Canton
- Continued lobbying for traffic signal at Reservoir Drive and Reinhardt College Parkway
- Local street resurfacing program
- Continued expansion of water pollution control plant
- Flocculator and in-take screen replacements
- Water tank projects at industrial park and South Canton
- Completion of Canton Transportation Master Plan
- Review of and application for grants associated with the Federal Bipartisan Infrastructure Law
- Increased wayfinding signage

Leading with Excellence

City Council, Staff and Citizen Boards will foster civic participation and serve ethically, transparently, responsibly, and efficiently.

Leading with Excellence

Budget Highlights:

- Use of the City's Roadmap for Success to determine project and program funding, meeting the needs and expectations of Canton residents
- Budget based upon maintaining the lowest effective millage rate in Cherokee County
- Professional pay for professional staff, new starting wage of \$20/hour
- Cherokee County's first true step/grade pay system for Police
- Tuition Reimbursement Program for ALL City staff
- Sidearm replacement program for Police
- Adjustments to budget areas to reflect centralized services and costs
- No new positions requested
